DESCRIPTION

The Cottar Safari tradition began in 1919. Nearly 90 years on, the Cottars continue to provide an unparalleled safari experience to discerning clients in Africa. Extending an era of luxury and quality, we return to the original spirit and essence of 'safari', reminiscent of a golden era – an era of romance, professional guiding, adventure and elegance. Situated in the Masai Mara, in an untouched exclusive concession bordering the Serengeti and Loliondo reserves, the area guarantees privacy and an abundance of wildlife. The camp accommodates up to 22 guests in authentic white canvas tents, which are spacious and luxuriously furnished. They incorporate original safari antiques from the '20's, private en suite dressing room, bathroom, main bedroom and verandah.
