DESCRIPTION

Loisaba sits on 61,000 acres of its own private game ranch.

Loisaba Lodge is set on the escarpment with 7 rooms. Each room has its own private deck overlooking views of Laikipia. The lodge has a swimming pool, tennis court, spa and massage room.

Kiboko Star Beds are 20 minutes drive from the lodge and overlook a waterhole/dam. **Koiya Star Beds** are 30 minutes drive from the lodge and overlook the Ewaso Nyiro River. Each Star Bed is designed on a raised, handcrafted, wooden platform that is partially covered with a thatched roof. Homemade 'Mukokoten' beds can either be wheeled onto the open deck for a night under the stars, or left under the shelter of the roof.

Loisaba Cottage is approximately 9kms from the main lodge. It is set back from the escarpment in beautifully landscaped gardens with a private swimming pool. The Cottage has three double en-suite rooms with shower and one double/twin room with access to large bathroom via an external staircase.

Loisaba House is a truly exclusive, self-contained private house with cliff-top infinity pool, built on the edge of the escarpment entirely from local stone and thatch. The location and architecture of the house are breathtaking, as are the furnishings, most of which have been designed and made at Loisaba.
