You will be collected from the airstrip and taken to Tortilis Camp, where you will be greeted by the beauty of Africa's largest mountain, Mount Kilimanjaro.

Tortilis Camp consists of 17 traditional en-suite tents built raised above the ground with spacious verandahs and one family unit. Activities include game drives, bush walks, sundowners, cultural visits to the nearby Manyatta, massage and a swimming pool. There are over 1000 elephants in the parks eco-system, featuring some of the largest elephants in Africa.

### Day 4 - Lewa Wilderness Conservancy, Lewa Safari Camp

After breakfast you will be transferred to the airstrip for the Safari Link scheduled flight to Wilson where you will connect with the scheduled flight to Lewa Downs departing at 10h20. On arrival you will be met by a representative from Lewa Safari Camp who will transfer you to the camp.

Lewa Safari Camp has a stunning location within Lewa wildlife / rhino conservancy, with outstanding game viewing, and spectacular views to Mt. Kenya to the south and arid lowlands to the north. Each tent has a thatched roof, verandah and full en suite bathroom, very much in the 'Lewa' style. The central areas have exquisite gardens with a large sunny verandah and swimming pool to enjoy during the day, and cosy log fires in the lounge and dining room for the more chilly evenings. The camp is based within the private 65,000 acre wildlife conservancy of the Lewa Wilderness Trust.

### Day 7 - Masai Mara, Elephant Pepper Camp

This morning you will be transferred back to the airstrip for the Safari Link scheduled flight the Masai Mara departing at 09h10. On arrival you will be met by a representative from Elephant Pepper Camp who will transfer you to the camp with game viewing en route.

Elephant Pepper Camp is located in the Mara North Conservancy in the Masai Mara. Small and very exclusive the camp is located away from other lodges in the heart of the African bush. With just seven comfortably furnished, double en-suite tents and one honeymoon tent. Elephant Pepper Camp offers the ultimate luxury bush safari with the sights and sounds of nature and all the luxuries you need. Activities include day and night game drives, bush walks, bush meals and sundowners. Early morning and late afternoon are the most productive hours for game drives and our safari customized 4WD vehicles give everyone a perfect view. Watching wildlife at close range, but without encroaching on their space, is endlessly fascinating and the guides' instincts and experience provide superb photo opportunities of wild animals.

### Day 10 - Depart

After a last game drive in the Masai Mara, catch the 11h00 Safari link flight back to Nairobi. A Cheli & Peacock representative will meet and transfer you to your Nairobi hotel or to the international airport for your journey home
